### TERMS OF PAYMENT:

Payment for service shall be made in advance ("Advance Purchases"). At such time as the value of the service consumed equals the value of Advanced Purchases, electric service is subject to immediate disconnection from the Cooperative by the prepaid metering system until additional purchases by Customer are made. Should the electric service be disconnected by the prepaid metering system due to Customer's electrical usage having consumed the entire value of the Advanced Purchases, the Customer Facilities Charge will continue to accumulate on Customer's account and will be deducted from the Customer's next additional purchase payment. Disconnection for reasons of non-payment does not release Customer from their obligation to pay the daily Customer Facilities Charge. Under the Prepaid Metering Schedule, if the outstanding account remains disconnected for thirty (30) days, the Cooperative will consider the account closed.
